

CERTIFICATE OF MEDICAL NECESSITY

CMN

Explanation and Instructions

What it is and What You and Your Doctor Need to Do

Medicare requires that your doctor complete a Certificate of Medical Necessity (CMN). We must have the CMN to submit to Medicare for the purchase of your ReBuilder[®].

Therefore, enclosed are a SAMPLE CMN and a blank CMN for your doctor's convenience.

The blank CMN form is the one your doctor will complete. Medicare provides detailed instructions on the back on how the CMN is to be completed.

The CMN form that must be completed for the ReBuilder[®] is specific, therefore the SAMPLE will provide insight for your doctor that is specific to the ReBuilder.

Take these two CMNs with you to your thirty (30) day visit with your doctor; let him / her know we have provided these for his convenience.

Ask your doctor to complete the blank form and fax it to us at ReBuilder Medical Technologies, Inc. at 304-725-4915 at his earliest convenience. **Our ability to submit your claim to Medicare requires that we receive the CMN from the physician.**

If you have any questions, please feel free to contact us at 877-525-8230 and ask for the Medicare Department.
